### C1 - short staff mobility for training aim - day 1

**On the 11 of February 2018 two representatives from each partner country gathered in Leszno with the aim of training.**

The agenda is very tight, because there are so many things to discuss and so little time to do it. Program includes: the ABC's of NEET youth issue, national specificity of the NEET situation, creation and testing prototypes of games and study visit in "ECHO" association. The first day was mainly dedicated to integration activities - after the departure and welcome dinner, we had some time to get to know each other.
