C1 - short staff mobility for training aim - day 4

The fourth and the last day of our meeting was marked by summaries, evaluation and testing of other types of games.

Each participant filled evaluation forms and there was a time to sum up the learning process. After this, several new games were played and tested by our participants. Conclusions were written down and will be very useful in the process of creating the game.

Before leaving Leszno, participants received Certificates of Attendance.

Now it is time to come back home and continue working on intellectual outputs individually in our countries.

Many thanks to all participants for their great contributions to the meeting. Next destination -
