In two weeks time a Transnational Project Meeting will be held in Leszno, Poland. The Coordinating organization will host three foreign guests from each partner country.

The main purpose of the meeting is to get to know each other and to develop communication between partners. The Agenda includes not only an introduction to the project and its ideas & objectives, but also discussions on Intellectual Outputs as well as some technical issues like dissemination of the project and the project's timeline.

The meeting will last only three days, but for sure this time it will be very intensive and productive. Apart from work we are going to pursue some integration activities, as they play an important role in a partnership and intercultural cooperation.
