**The Transnational Project Meeting started on the 1st of December 2017. Fundacja Centrum Aktywności Twórczej from Leszno, Poland, hosted 3 guests from partner countries - Manuel Semitiel from Spain, Angelos Parmatzias from Cyprus and Abdul Qadir from the United Kingdom.**

During the early morning the hosting organization started preparations for the meeting. We printed all the educational materials and prepared a space for the meeting. In the afternoon when the partners arrived, we had a welcome dinner where everyone could try traditional Polish meals. After the dinner we had integration activities which helped us to get to know each other and to break the ice.
